We received the EER application for the following addresses. There are some issues with the applications that prevent them from being finalized. Please provide the following information or correct the information in question so we can finish processing the applications. All information should be filed in Delafile, the Public Service Commission’s efilng system using the subsequent filing option on the menu.

18-0727

197499

610 South Street, Townsend, DE 19734

The Rated Capacity (in megawatts- DC) on the application does not match the DC nameplate rating on the interconnection agreement. There was no decimal point on the application

18-0735

199897

27222 Johnson Road, Seaford, DE 19973

The Rated Capacity (in megawatts- DC) on the application does not match the DC nameplate rating on the interconnection agreement. There was no decimal point on the application

18-0742

1991543

497 Southern View Dr #L29, Smyrna, DE 19977

There is no owner listed on the application.

18-0764

198687

400 Delaware Avenue, Wilmington, DE 19804

Generation Unit Start Date on application does not match final approval date on interconnection agreement

18-0767

Ernestine Burks??

529 Hambleton Lane, Newark, DE 19702

Please file the application and the rest of the interconnection agreement. Only one page of the interconnection was filed. The signature pages for the customer and the utility were not filed. No application was filed.

18-0743 and 18-0749

1551 IRON HILL ROAD, NEWARK

These two are the same address, but different sizes. Is one of these an addition? If so, please confirm if it is separately metered.
